October 2017,

Dear Valued Patient,

On October 15, 2017, the open enrollment period begins for Medicare Part D for benefits to begin January 1, 2018. The deadline for enrollment this year is December 7, 2017. There have been many changes that affect both you and Streu's Pharmacy, so please look over this information carefully.

We cannot stress to you enough that it is important to be enrolled in a Medicare Part D Plan that covers the services that you need. Attached are the complete lists of the Medicare Part D plans that we accept. You will see we have the plans broken down to Assisted Living, Nursing Home, Retail, and Greatest Flexibility. These lists are also on our website: [www.streuspharmacybaynatural.com](http://www.streuspharmacybaynatural.com).

- Assisted living: cover blister packing of medications for residents in an assisted living facility, or in their own home
- Nursing Home: cover blister packing of medications for residents of Skilled Nursing Facilities or Nursing Homes
- Retail: cover medications being filled in regular prescription bottles only
- Greatest Flexibility: cover all of the above situations

Unfortunately, we cannot legally direct you to a specific plan as per Medicare Law. However, we can recommend the following as resources for you to utilize. It is important that you have your drug list available when contacting them:

- [www.medicare.gov](http://www.medicare.gov) and click on the yellow Find Health & Drug Plans tab
- 1-800-medicare
- Disability Drug Benefit helpline for people 18-59 years of age who receive Medicare: 1-800-926-4862
- Coalition of Wisconsin Aging Groups Prescription Drug Helpline for people 60 years and older: 1-866-456-8211
- Aging and Disability Resource Center: 1-920-448-4310

**VERY IMPORTANT!!** As soon as you receive your new insurance card, you may either:

- Mail us a copy of the front and back of the card or
- Bring the card in and we will copy it for you

Please do this before January 1, 2018, to ensure there is not a delay in processing your prescriptions in the new year.

We wanted to give you ample time to choose the plan that is best for you. Please note that these lists are current as of today. Changes may occur that are beyond our control. We will keep you up-to-date as we are informed.

If you have any questions, you may call us at 920-437-0206 ext. 503 and we will be happy to help you. Please keep in mind, legally we cannot tell you which plan you should choose for 2018; however, we can give you information regarding the differences between the plans.

Sincerely,

*The Staff of Streu's Pharmacy Bay Natural*
